

Day 2 — scan cards

Cut along the lines. Table tents, or one strip taped to the wall by the door.

THE DAY

Print on card if you have it. **Every code here has been scan-tested.** If one fails on a phone, it is the print quality, not the code — reprint at 100%, no scaling.

BEFORE PART 1

Register — Triage

Sign in for Part 1. Speaker and time are written on the sheet.
